wāpiskāw (white/not living-I)

pīkonākosiw (grey/living-A)
pīkonākwan (grey/not living-I)

kaskitēsiw (black/living-A)
kaskitēwāw (black/not living-I)

to play:

1. play alone or with other players, with two dice (GREEN Square)
2. roll both dice to move your player piece towards the end (RED Square)
3. say the color with the proper noun. Keep your eye on the correct color word to use.
4. if you land on a space where someone else's piece is sitting, you can not move forward
5. if you land on a space with a river (sipisis) going through, the river (sipisis) slides you down
6. if you land on a space that has a tree trunk (mitos) you can climb the tree trunk (mitos)
7. when you pass an **A** - alive (living), then all the colors after it are ALIVE (living)
8. when you pass an **I** - not alive (non-living), then all the colors after it are NOT ALIVE (non-living)
9. first one to the end of board wins
